## Maths

Please practice the 2, 5, 10 and 3 times tables every week with your child. The children should be able to:

Say the tables in order -  $1 \times 2 = 2$ ,  $2 \times 2 = 4$  etc

Answer quickly out of order - "What is  $3 \times 4$ ?" "What is  $3 \times 9$ ?"

Know the inverse number sentence -  $5 \times 8 = 40$  inverse  $40 \div 8 = 5$

Your child has been given a log on to **Timetables Rockstar** to help them practice.

### **PLEASE ONLY GO ON THE GARAGE SECTION**

We also play **Hit the Button** - An interactive game where the children have to answer the timetables in a given amount of time.

## Spelling

Children will receive their weekly spellings. Keep these at home so your child can practice them ready for their Friday spelling test.

Children will also need to be able to spell all the CEWs for Year 1 and 2.

These have been sent home with your child and are also on the website.

## Reading

And don't forget to help your child earn their reading stars by reading with them at least 3 times a week and writing this in their reading record book.

**Children have also been given their logons for Reading Theory so please go on and have a go.**

Reading books can be changed on a Friday when your child has completed the book.

Furthermore, I will be sending homework out on Google Classrooms this term so we can all get used to using it in case of a Bubble closure. You have all been given your logons, but please let me know if you are having any difficulties accessing it.

Thank you for all your help and support with your child's learning.
