

Wear Pink Day 2022

Friday 21st October

As you are aware this charity is really close to our hearts as many of the staff and families at All Saints Academy have been affected by this terrible illness either directly, or through their family members.

This year on our "Wear Pink Day" we have planned a full, fun packed and exciting day with lots of different activities happening throughout the day.

This is to raise money to support the Breast Cancer Campaign who fund some of the world's most innovative breast cancer research projects.

All the staff and children are asked to wear something "PINK" for the day on **FRIDAY 21st OCTOBER and to bring **£1** to donate to this fabulous charity so that we will **BE PART OF THE CURE**.**

(If your child is wearing non uniform then could you please send them with their £1 as it is for a very worthwhile charity).

We really appreciate all your support and all donations to this fabulous charity are really important to us.

Thank you

**Mrs C Green
Acting Headteacher**
